**Premium Funding**

Premium Funding products enable you to pay your premiums by installments. Premium funders do charge interest and they take a power of attorney over your insurance policy as they have paid it to the insurer in advance, in full, as required at the beginning of the policy period.

We can arrange premium funding on your behalf if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis and amount of any such payment before or at the time the premium funding is arranged.

**Our Payment Terms**

**Invoices** - we will invoice you for the premium, statutory charges (e.g. stamp duty and fire services levy) and any fees we charge for arranging your insurances. You must pay us within:

- 14 days of the date of the invoice;
- or in the case of a renewal, before the expiry date of the contract of insurance.
- If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

If you do not pay the premium on time, the insurer may cancel the contract of insurance and you will not be insured. The insurer may also charge a short-term penalty premium for the time on risk.

**Credit Card Payments**

If you pay by credit card additional charges apply through the payment system shown on your invoice or statement.

Should you wish to discuss any of the above information, please do not hesitate to contact our office.

*Yours sincerely,*
